

# Leftover Paint Management CIWMB

2006 Household Hazardous Waste and Used Oil Conference  
CIWMB HHW Program – Glenn Gallagher

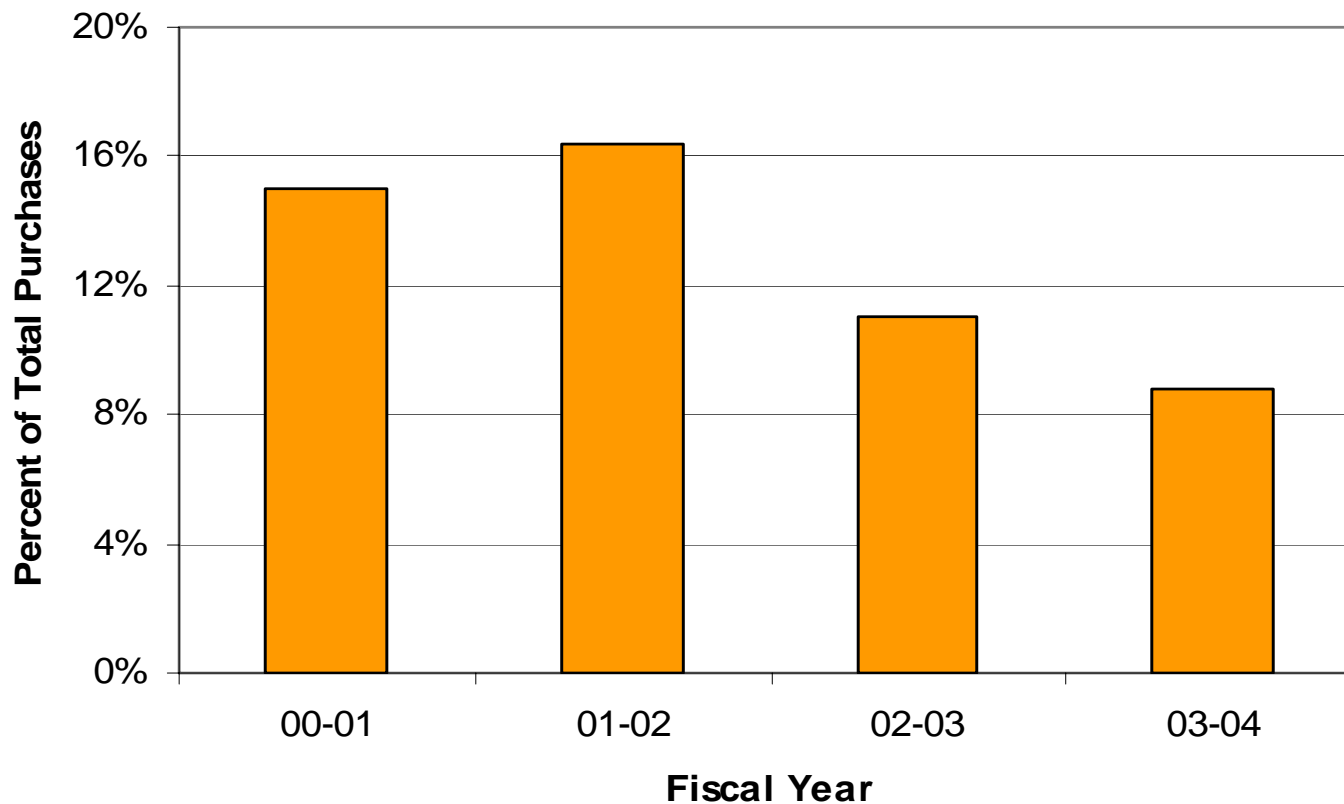

# CIWMB Paint Programs - Historical

---

- Promote Paint Collection through HHW Grants since 1991
- 1995 Cal Poly Study – Quality Paint
- Encourage purchase of Recycled-Content Paint through State Buy Recycled Campaign

# Recycled-Paint Purchases

**Recycled-Content Paint Purchases by State of CA  
(percent of Total Purchases)**

# Current CIWMB Paint Programs

---

- Environmentally Preferable Purchasing (EPP) Guidance  
<http://www.green.ca.gov/default.htm>
- HHW Grants - \$200K (Certification)
- Funding National Paint Dialogue - \$100K

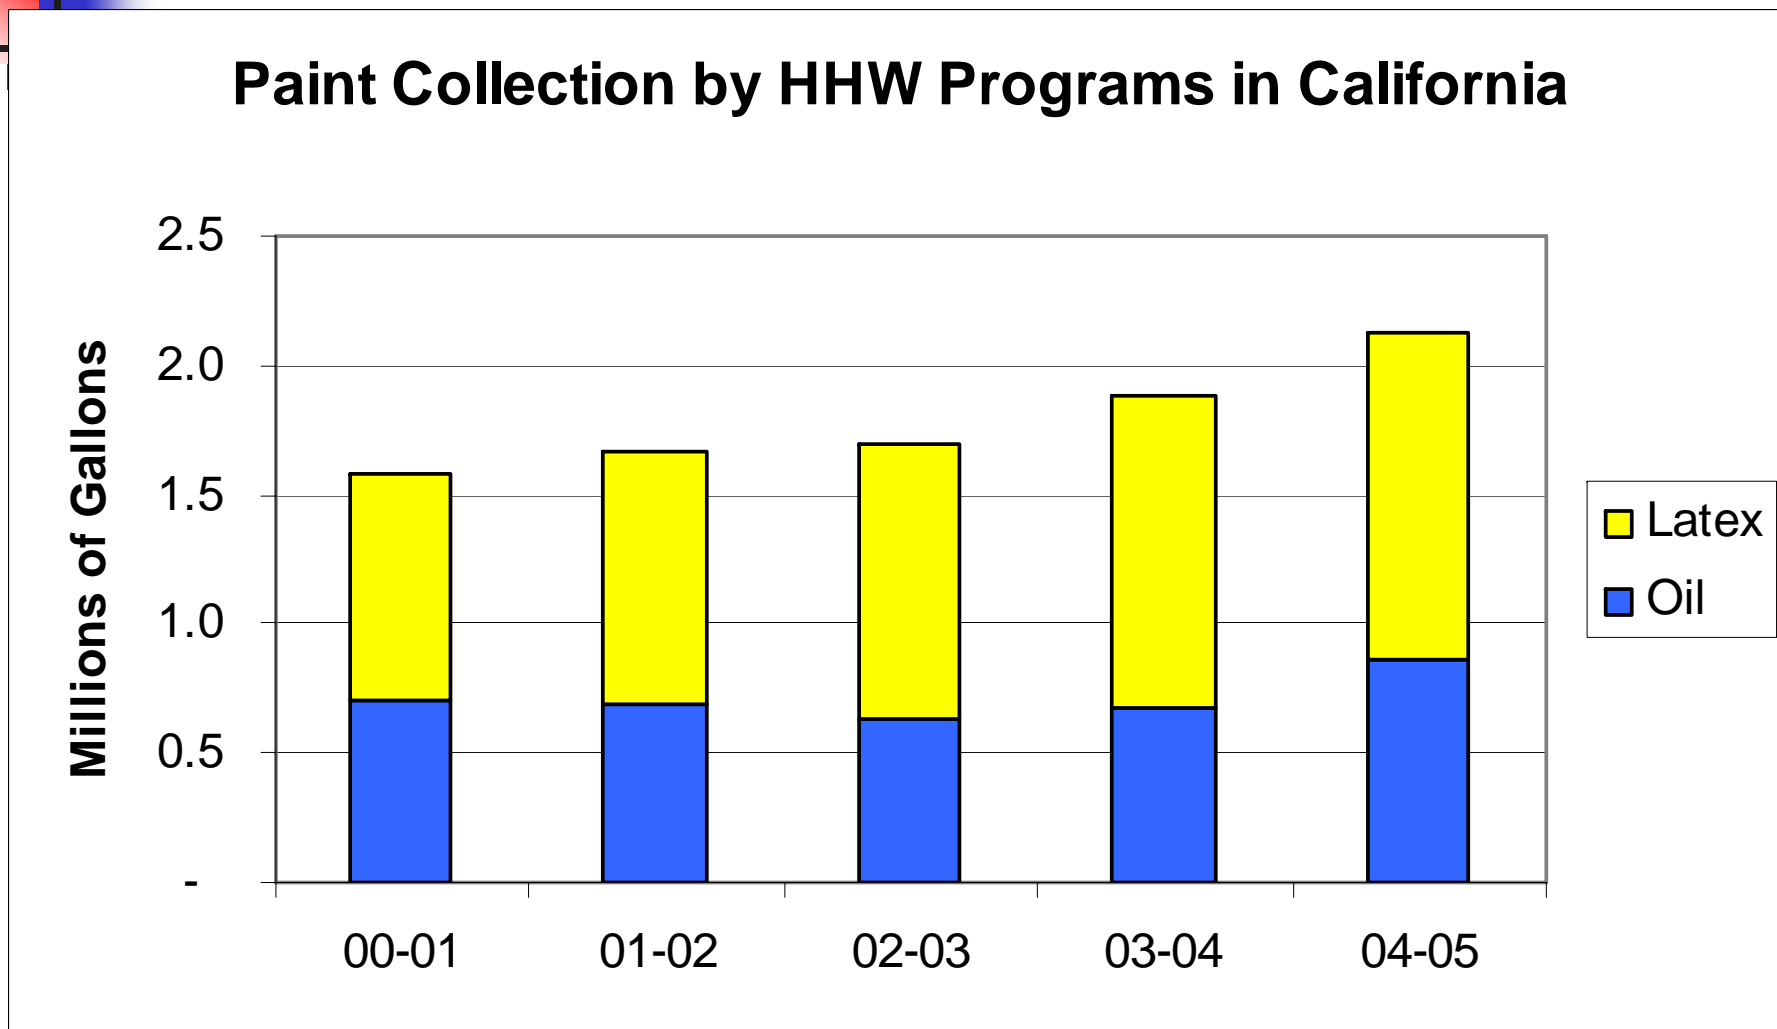

# Leftover Paint - Magnitude

---

- Approximately 7-15% paint leftover
- 35% of all HHW Reported - Form 303
- Latex Paint re-usable
- Oil-based paint more difficult to re-use

# Leftover Paint Collection – Last 5 Years

# Future Direction for CA & Paint

---

- Promote Recycled Paint Purchasing
- National Policy preferable
- No Significant Changes until After National Paint Dialogue Results

# CIWMB Policy – Leftover Paint

- Market-Based Solution (most desirable)
- Voluntary
- Retail Partnership
- Legislation/Mandatory Fees (least desirable)
